Baffin Bay Watershed

Nature Based Solutions Project

Join us for an open house to explore how nature-based solutions — like rain gardens, wetlands, and green infrastructure — can reduce flooding, improve water quality, and create greenspace in our community. Learn about these solutions and **share your feedback** to guide four design concepts being developed for the Baffin Bay watershed.

- Presentation at 6:00 PM
- Hands-on watershed & rain garden models
- Share your input & ideas
- Learn more about the Bringing Baffin Back initiative
- Kids activity corner
- Free food and beverages provided
